

2016-17 LIVE STATISTICS AND SCORING POLICY

NCAA.com is the official destination for live scores and statistics from NCAA Championships. In 2016-17, NCAA.com will provide a live StatCrew or StatBroadcast data feed from all rounds of Division I championships and final site rounds of Division II and III championships. Schools participating in these contests may not display live statistics on their official website, other than by linking to NCAA.com. For early rounds of Division II and III championships, live statistics may be displayed on a participating school's official website. A member of the NCAA media coordination/statistics staff will be in contact with the host institution's media relations director to arrange the live stats feed and testing schedule.
