

WEATHER DELAY INFORMATION

TICKETS

- In the event of a rain delay, please keep your game ticket.
- If you leave the stadium during a rain delay, please stop at the gate you are exiting to have your ticket scanned out. Reserved seat ticket holders may exit through all four gates. General admission ticket holders should exit through Gates 3 and 4 to have their tickets marked. If you have a Flash Seats seat locator, please stop at Gates 1 or 2 to have your seat locator marked.
- If the game is suspended and resumed the same day or continued on the following day, you will need the game ticket from the original game to re-enter the stadium for the continuation of play.
- In the event of a total game postponement to the following day, please follow the **game number** listed on your ticket, not the date.
- There are no refunds on tickets as games will be played.
- Please go to the box office near Gate 2 on the corner of 13th and Fahey Streets to resolve any issues.

PARKING PASSES

- Season-ticket holder parking passes in Lot D are by the **day**. If a game is postponed to the following day, season-ticket holders should bring the appropriate **DAY** parking pass, not the pass from the day the game was scheduled to play.
- Season-ticket holder parking passes in Lot B are by the **game**. If a game is postponed, parking passes should be used for the **GAME** which is being played. Season-ticket holders will need to leave after the game, unless they have parking passes for the following games that day.
