

TEAM VIDEOGRAPHER POLICY 2018-19 NCAA CHAMPIONSHIPS

Each participating institution may designate one individual as the team videographer. The team videographer will be provided a credential and a TEAM VIDEOGRAPHER or TEAM PERSONNEL armband/vest and will be permitted to film their game **ONLY** from a designated area(s), which serves all still photographers. During the contest, the videographer should follow all rules that apply to still photographers.

Access will also be provided to the court/field during closed practices, the team locker room during pregame, halftime, postgame and any other times when the locker room is open to the media. In addition, the team videographer can shoot from any area that a still photographer has access to (e.g., concourse).

[NOTE: The team videographer for the winning team will be allowed on the competition area to film the postgame celebration and awards ceremony, if applicable.]
